**Re: *In re High-Tech Employee Antitrust Litigation*, 11-cv-2509-LHK (N.D. Cal.)**

Dear Dean:

I write in response to your letter earlier today regarding Defendants' objections to Plaintiffs' reply evidence filed July 19, 2013. We believe this filing complies with Local Rule 7-3(d) and properly states objections to new evidence submitted with Plaintiffs' reply in support of the supplemental class certification motion. We therefore do not intend to withdraw the objections.

Sincerely,

Christina Brown
